

Rosemont Mine – Dec. 8, 2015 Briefing for Joel Beauvais
Prepared by EPA Region 9

This image of a jaguar was captured by FWS motion-sensor camera on or near the Rosemont site. The animal is travelling along a corridor that is potentially a water of the US. (seasonally dry desert stream)

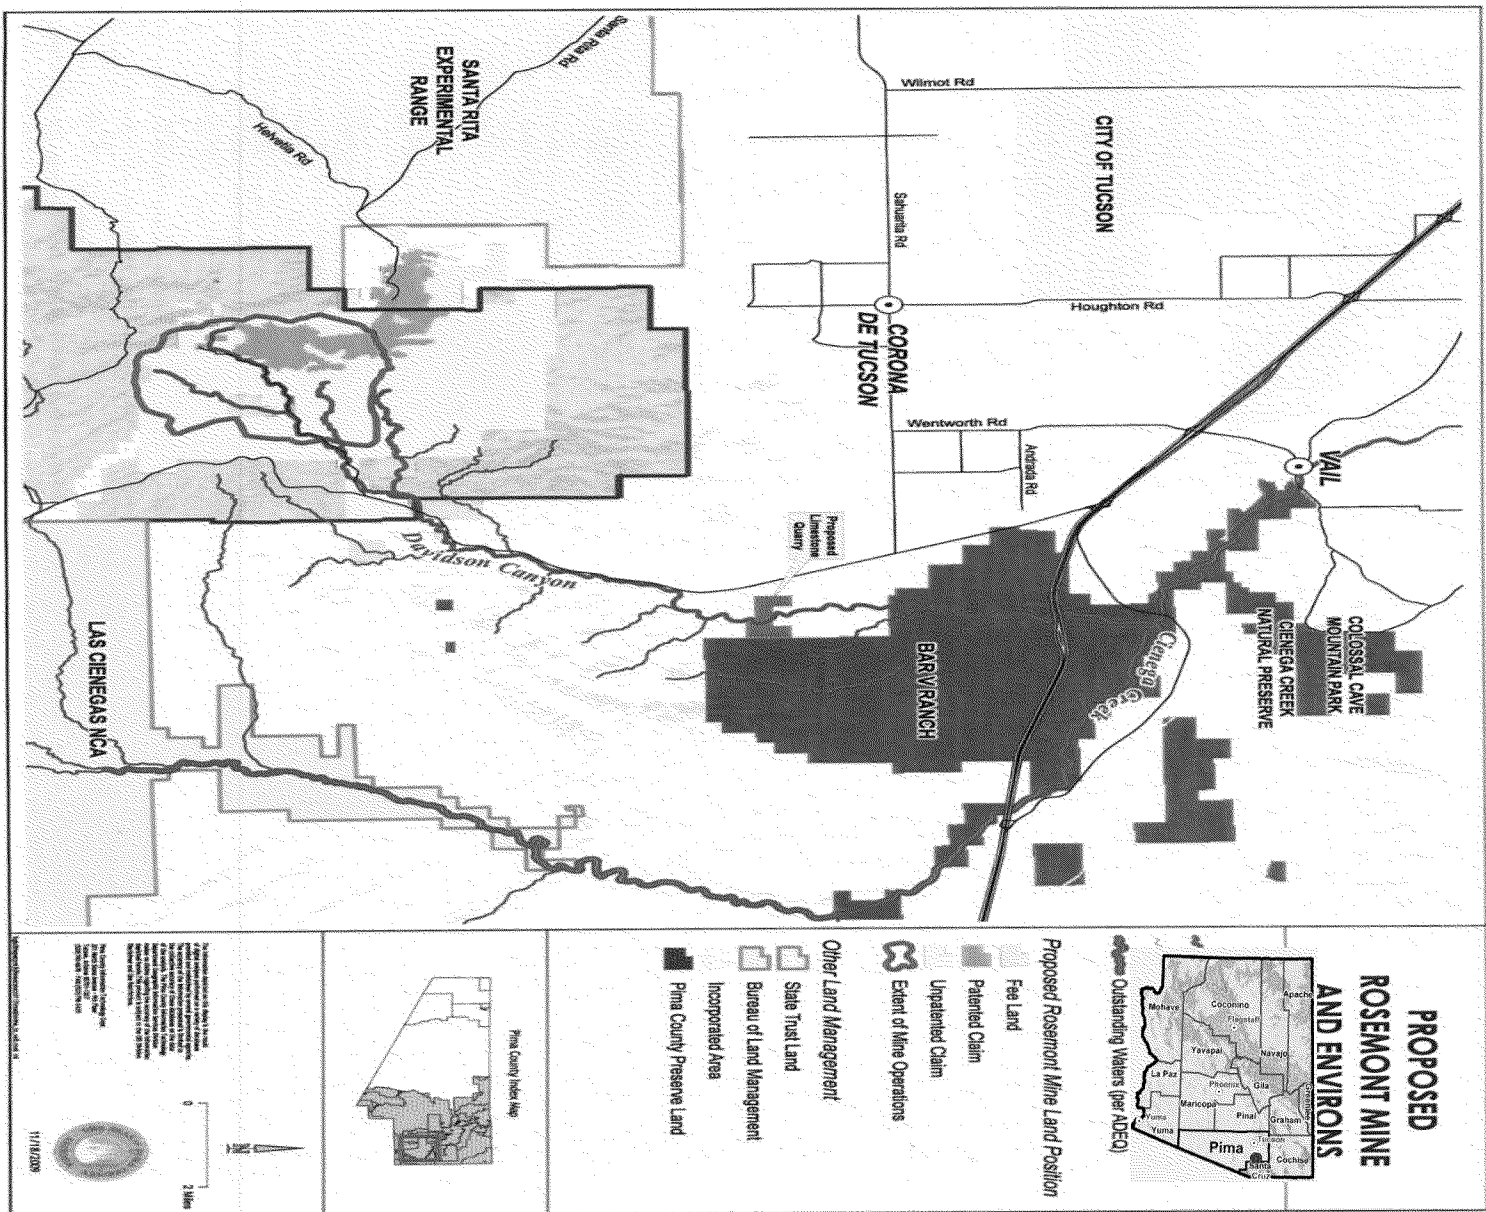

EPA Region 9 Contacts:

Wetlands Staff: Elizabeth Goldmann (2-3398) and Robert Leidy (2-3463)

Wetlands Supervisor: Jason Brush (2-3483)

NEPA Staff: Carter Jessop (2-3815)

NEPA Supervisor: Kathleen Goforth (2-3521)
